Energizing Foods for Vegans - Veganosity Alex and I consistently feel energized throughout the day since we became vegans. We both approach eating in a different way, but the end result is the same. Alex eats raw before 4 p.m. and consumes a ton of fruit and veggies, and no nuts or grains until evening. Itâ€™s working for her and she feels great. Fully raw, organic and energizing detox GREEN SMOOTHIE ... I am no native speaker and still learning ðŸ™, So let me introduce you to my fully raw, organic and energizing green smoothie which I like to have for breakfast or lunch. Fully raw, organic and energizing GREEN SMOOTHIE. Energizing Turmeric Tea [Vegan, Gluten-Free] - One Green ... Raw Strawberry Angel Food Tart [Vegan, Gluten-Free] A light, fresh and raw take on angel food cake that tastes as angelic as its name. Baked Broccoli Burgers [Vegan].

Cacao Maca Energizing Smoothie [Vegan, Gluten-Free] - One ... This Cacao Maca Energizing Smoothie is definitely one of my all times favorite. So simple, it takes only a few minutes to prepare and will boost your mood and energy levels for the whole day. Raw Cacao Goji Coconut Bites - Energizing, Beautifying ... In fact, theyâ€™re the perfect mix of raw chocolate, slight sweetness from the berries, rich caramel sweetness from the dates, and I love how the coconut gives them a light flavor and such a lovely texture. Vegan Smoothie Recipes: Energizing Mexican Mocha Horchata ... The secret ingredient, vegan, raw and paleo tigernut horchata, contains 15% of your daily iron needs in one bottle for a great energy boost, not to mention potassium that give energy to your muscles (14%), calcium (8%), and a moderate (read: non-jittery) amount of cold brewed coffee. What I love about Tigernut horchata is that it contains prebiotic starch, which helps probiotic flora flourish in your digestive system.
